WHEN'S THE NEXT CHARLOTTE WAREHOUSE SALE?!

We would have it tomorrow if we could! Unfortunately, we need a little more time than that. As you know, we've gone through a change of ownership and are in the process of building our inventory for a successful sale. We hope our first sale will be August's tax-free weekend.

In the meantime, we will keep you posted on our progress and informed about industry trends and money-saving tips through our quarterly newsletter. Thanks for your patience and we hope to see you all soon!

You don't have to be a fashionista to want to add something current to your spring & summer wardrobe, and you don't have to be a mogul to afford it. You can add a few choice pieces and accessories to update your look, and avoid a few key styles that are in the "don't column." And of course, it's all about finding what works for you in the mix each season. As they say, No Rules, Just Right.

Words to Shop by in Spring and Summer 2011:

Coral. Neutrals. Whites.
Color Blocks. The 70's.
Cross-Body. Lace. Platforms.
Wedges. Statement Florals.
Nautical. Wide Leg Pants.
Longer Hemlines.
